ESPADA DE CUENTAS DEL ESPÍRITU DE DOULUO

Resumen:

El joven Tianlin, llevando Lingzhu Excalibur y Wuhun, cruza el continente Douluo y aspira a la cima. PD: No sigas al grupo, no adores al maestro. PS2: Este es el fan de Douluo del anime principal PS3: Quiero ver a egoístas y protagonistas egoístas extraviados en él. Quiero escribir un protagonista que realmente se preocupe por su familia y amigos, así que los cuidaré bien. Palabras clave novedosas: Douluo: Lingzhu Excalibur no tiene ventana emergente, Douluo: Lingzhu Excalibur txt descarga de trabajos completos, Douluo: Lingzhu Excalibur última lectura del capítulo
